

ARIZONA BOSTON TERRIER RESCUE

PRE-ADOPTION PLACEMENT AGREEMENT

I understand and agree that the Boston Terrier described below has been placed in my home on a trial basis by the Arizona Boston Terrier Rescue (AZBTR).

I understand and agree that I am not entitled to ownership of said dog until I have signed an AZBTR Adoption Contract and have paid to AZBTR the applicable adoption fees. Until such time I understand that AZBTR retains full ownership of this dog.

I understand that this pre-adoption placement will not exceed a period of two weeks, at which time the Adoption Contract must be signed and applicable fees will be paid to AZBTR, or AZBTR reserves the right to remove the dog from my home.

I agree to keep the Boston Terrier identified with the AZBTR phone number at all times. AZBTR will provide a tag for this purpose.

During temporary placement it is suggested that:

- You introduce the new animal to the people, especially children, in your household with great care. We cannot predict how he/she will behave. This animal is new to us and is in a strange environment. With both animals and people, even if the animal was known to behave in one way in his/her previous home, dogs can be unpredictable in new environments.
- Do not leave the new animal unattended with your animals for even a few minutes. Even if he/she seems to be friendly in your presence, something could go wrong if the animals are left alone.
- Consider crating the new animal when you are not at home.

AZBTR provides appropriate vaccinations, sterilization and a health check to all Bostons before placement. All Bostons are spayed or neutered prior to placement.
