To the best of my knowledge, the Boston Terrier mentioned above, \_\_\_\_\_, has not bitten a human or shown aggressive tendencies towards humans.

I understand the Arizona Boston Terrier Rescue requires all unaltered dogs to be neutered or spayed prior to adoption. I also understand that Arizona Boston Terrier Rescue may want to check the dog's medical records with the veterinarian named in this release. Therefore, I agree that Arizona Boston Terrier Rescue may contact the veterinarian with my permission. I hereby release all control and claim to this dog and declare that the above information is true and correct to the best of my knowledge.
